We Invite You to Edellyn Farms . . .

It is indeed a pleasure to again extend to you a cordial invitation to attend Edellyn Farms' fourteenth Annual Sale of Shorthorn Cattle. We are happy that we are able to offer you such an outstanding group of real herd bull prospects and such a choice lot of well bred heifers. These cattle are developed along practical lines with a strong injection of new Scotch blood, and I think, as in the past, that they will give a good account of themselves in the future. We would like, also, to show you Calrossie Mercury, our new herd bull and the other great sires and the dams that produce our annual offering. We are exceedingly proud of our long list of satisfied customers. Small breeders each year avail themselves of the opportunity of this occasion to improve their seed stocks and widen and renew their acquaintances among Shorthorn breeders. In any event, whether or not you prove to be a purchaser at the sale, we will be happy to have as our guests at Edellyn Farms all who are interested in good Shorthorn cattle.

Our 1939 Unequalled Sale

By The Use of These

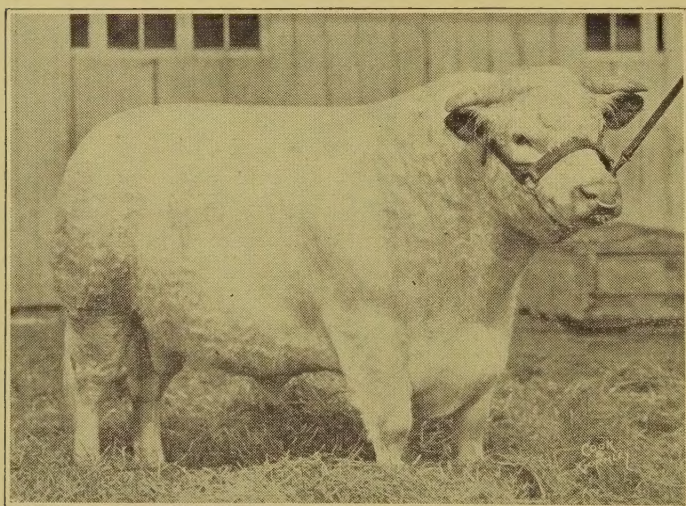

SULTAN BROWNDALE

The Grand Champion Shorthorn Bull at the 1935 International and American Royal as well as at Illinois, Iowa and Indiana State Fairs. He was sired by the Champion Glenburn Field Marshal by the International Champion Edellyn Favorite by Browndale Count. His dam Rookwood Golden Chain 5th is sired by a grandson of Browndale Count. The four outstanding sons of Sultan Browndale in this sale, and the choice nine heifers are ample proof of the desirability of this blood.

BRAWITH COUNT

Winner of first prize in the summer yearling class at the 1936 International. He is sired by Imp. Brawith Boy, the only Scottish Highland Champion that was ever imported into America and Grand Champion at the C. N. E. and Toronto Royal Shows after his arrival in Canada. You will be pleased by the general type thickness, color and character of the sons and daughters of this great sire in this sale.

CALROSSIE GOLDFINDER

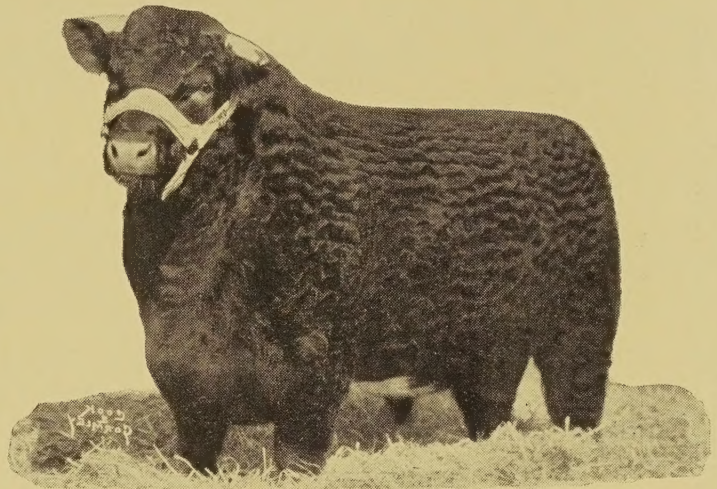

A son of the great Collynie Royal Leader and thus a half brother to Calrossie Control, the sire of Calrossie Mercury. Goldfinder until his recent death was one of the most valuable stock bulls at Edellyn. His sons have been real improvers and his daughters are unequalled as brood cows. Two valuable daughters sell in this sale.

Great Herd Bulls

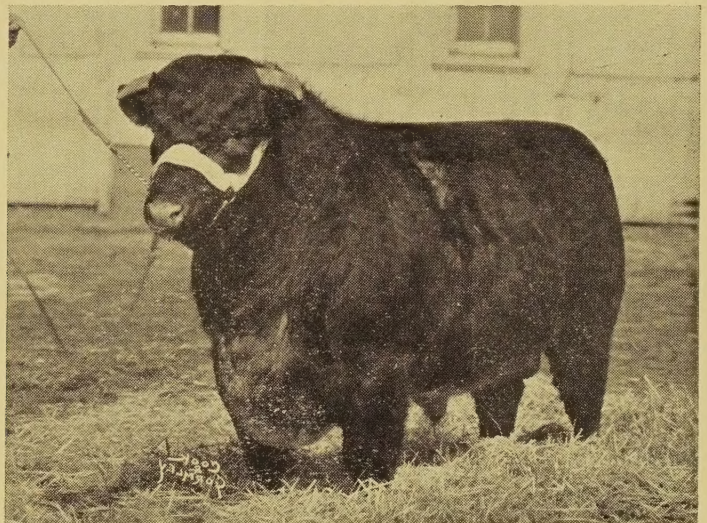

LEADERS DIAMOND MINE

The Senior Champion at the 1938 International and is recognized as one of the outstanding bulls in America today. He is the best son of Raveni Leader and out of the most famous of all Edellyn cows, Imp. Phingask Myrtle. His first bull calf sells in the sale and from the general excellence of his calves we feel that here indeed is one of America's future greats.

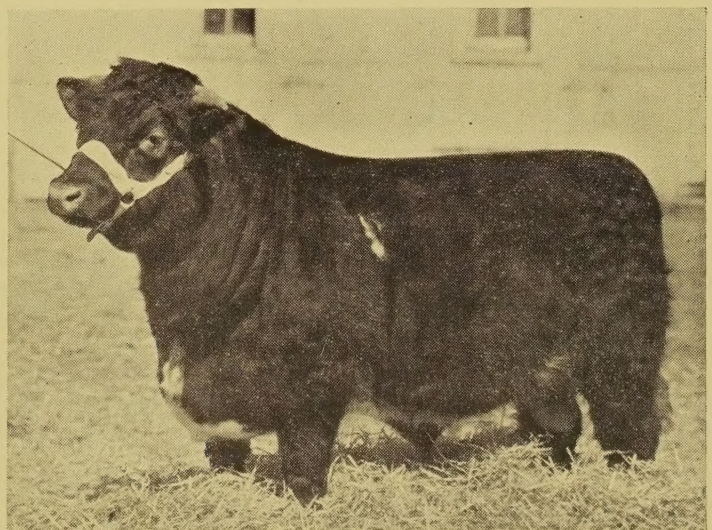

MATCHLESS LEADER

Another son of Raveni Leader retained in the herd. He is out of an imported Durno bred Violet by Glastullich Watchman by Naemoor Jasper. Here indeed is one of the shortest legged and the typiest bulls that can be found anywhere. His calves are just beginning to come and they are wonders.

EDELLYN COMMAND

Is sired by Calrossie Command, the greatest breeding son of Calrossie Control and out of Cluny Rosewood 23d by the famous Glastullich Sirdar. Here is a wonderfully well bred youngster that comes from a real bull producing family at Cluny Castle. He is a half brother to the 1938 International Grand Champion and a bull in which we have the utmost faith.

All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller, may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller. Edellyn herd has been accredited for 6 years.

5. Certificate of registry and transfer will be furnished with each lot sold.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. TERMS: Cash, unless other arrangements are made before sale.

Nothing is more important to the success of a breeding herd than its herd bulls. Too many breeders depend upon one sire, breed all their cows to him and are disappointed because he does not mate equally well with every one. When that bull dies, they are in a great dilemma to find a successor. Edellyn Farms always have guarded against such a disaster. Always there are young bulls of the highest class coming along. Soon it is discovered to which cows each bull mates to the best advantage and he is mated with those cows. That is the key to the great success this noted establishment has achieved. Never before has Edellyn had so many top bulls to use. No other herd has surpassed this one in herd bull strength.

It has been my privilege to attend all public sales at Edellyn. Never before has an offering of Edellyn cattle contained so many bulls and heifers of such high quality, superb type and attractive character as are to be found listed in this catalog. This is Edellyn's greatest offering. No better cattle are to be found.

Will Johnson of The Shorthorn World.

Edellyn Diamond Chain

Edellyn Diamond Chain is the bull of the year. An outstanding calf truly worthy of the consideration of those needing the best. He is of the modern type, fashionable color, real quality and with the head of a breeding bull. He is the first calf sired by Leaders Diamond Mine, the 1938 International Senior Champion, and out of the same cow that produced for us our chief stock bull, Sultan Browndale, the 1935 International Grand Champion and Edellyn Browndale Sultan, sold in our 1937 sale for \$2500.00, the buyer being Jas. Douglas & Son, of Canada. Look at this bull's picture, see him and his sire and dam, and you will agree this is the bull of the year.

CALROSSIE MERCURY

Calrossie Mercury, the 1939 Perth Grand Champion, was bred by Capt. John MacGillivray, Calrossie, Nigg Station, Ross-Shire. He was calved October 17, 1937 and was sired by the peer of them all, Calrossie Control.

Calrossie Control was the Supreme Champion at Perth, Highland and Royal shows. He is Scotland's leading sire, today, and his 51 sons sold prior to the 1939 Perth sales had brought a total of \$150,000.00 or an average of \$3000.00 each.

The dam of Calrossie Mercury is Calrossie Augusta Opal and this is her first calf. She was one of the top heifers of the year produced at Calrossie and was retained in the herd because of her excellent breeding, wonderful type and quality. She is a beautiful dark roan in color and promises to be a real outstanding matron.

The sire of the dam is Calrossie Nonpareil Chief, a dark roan son of Glastullich Waverly by Naemoor Jasper, and out of a Naemoor Jasper Nonpareil dam. He has thus a double dash of Naemoor Jasper blood.

The grandam of Mercury is Calrossie Augusta Polly, one of the best producers at Calrossie. She is the dam Calrossie Air Pilot, sold at Perth in 1935 for \$1600.00; Calrossie Betty Augusta sold for export to Australia; Calrossie Augusta Queen sold to Canada for \$1000.00. She is a full sister to Calrossie Air Lord, purchased by G. Sere in the Argentine for \$40,000.00 and he in turn sired the 1935 Palermo Champion bull.

The sire of the grandam is Collynie Royal Leader who is also the sire of Calrossie Control and sire or grandsire of the leading breeding bulls in Scotland.

Calrossie Mercury thus is the result of the careful blending of the most prepotent blood lines in Scotland coupled with individual merit all through his ancestors.

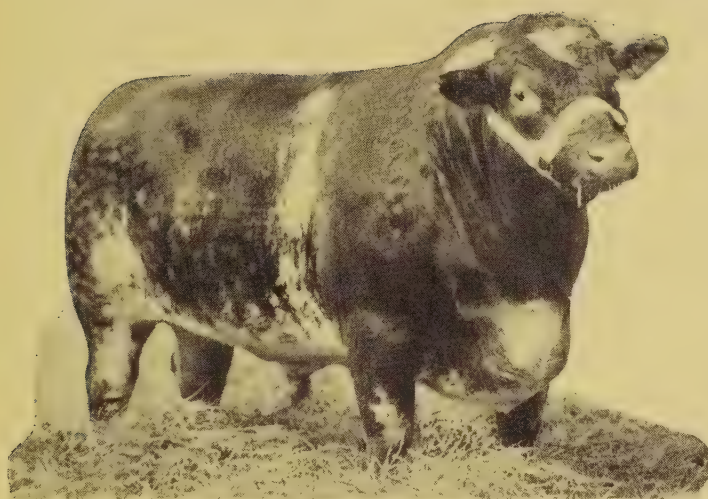

In bringing Calrossie Mercury to Edellyn Farms, we feel that we have secured the best bull that could be purchased. We are proud that visitors on Sale day will have an opportunity to see this great young bull.

Come to Edellyn Farms, June 5th and see the first Perth Champion ever to come to the United States.

BROWNDALE COUNT

SULTAN BROWNDALE

RAVENI LEADER

In the Shorthorn World Referendum conducted for the Herd Bull Number, Browndale Count was practically the unanimous choice as the bull that has done most to improve the breed since the time of Avondale.

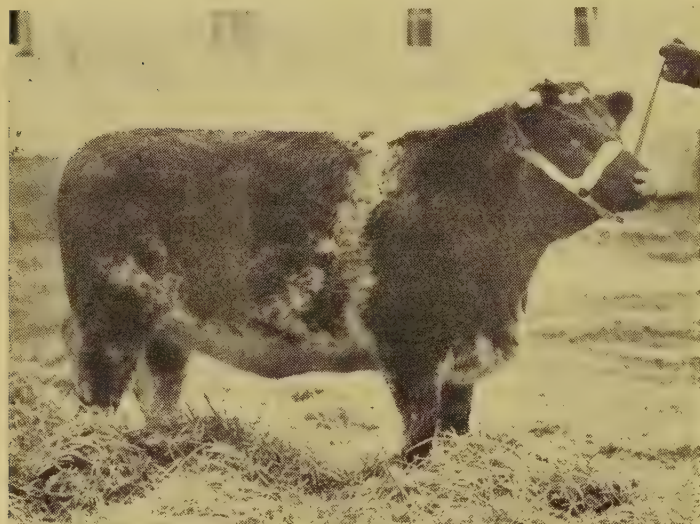

Sultan Browndale was the only bull to be the popular choice of winners in two different classes. He is considered to be the best of the ten year senior calves and also the best of the senior yearlings. He was a close second for the 10 year junior championship, also the ten year grand championship.

Raveni Leader had the greatest popular vote of any winner in any class when he scored forty-three more votes than his nearest competitor for the honor of being called the best junior yearling in ten years. Also he was the popular choice for junior championship though closely pressed by Sultan Browndale.

Other pertinent facts about Edellyn Farms Shorthorns, brought out by this poll of best judges and the chart of winning bulls, include the following: In the 10 year period covered by this poll 6 championships were won by bulls bred at Edellyn and shown by customers. Sixteen were won by sons of bulls, bred at Edellyn and eleven were won by grandsons of bulls bred at Edellyn.

In the poll of females, the 1936, 1937 and 1938 undefeated grand champions were out of cows bred by and purchased from Edellyn.

This is ample proof that Edellyn Bulls and Females breed on. Insure your herd. Buy an Edellyn Bull or Female.

Edellyn Golden Blossom 4th

Edellyn Golden Blossom 4th is a choice heifer from a family that has been very prolific in the Edellyn herd. The last two daughters of Golden Blossom, the dam of this heifer, have been retained in the herd. This daughter of Sultan Browndale represents the best in breeding and individuality and will make a profitable female addition to any herd. She is well bred and a mighty sweet heifer.

Edellyn Doris is an excellent heifer by Calrossie Goldfinder by Calrossie Royal Leader. She is out of Roble Doris, one of the best heifers ever to win her class at the International. This calf is a beautiful roan, thick, level, compact and very sweet headed. We were anxious to keep this heifer because she was by Calrossie Goldfinder, but found we needed her to make up the number. Goldfinder females have certainly made good producers and this one will maintain the record.

Nonpareil Lady 39th

Nonpareil Lady 39th is a heifer that will compare favorably with any of the champions in recent years and her breeding is the ideal American pedigree, showing clearly how carefully that this line of breeding has been carried on from the Canadian Nonpareil Lady that was shown by that great showman and breeder W. D. Flatt. This heifer will make a real senior yearling in this years shows and is in perfect condition to go on.

Rookwood Maud 7th is a real show prospect for the senior yearling class. She is deep, wide, compact, smooth and stands on the shortest of legs. She is exceptionally level on top and carries her width evenly throughout to a smooth tail setting. She is well quartered and flanks down well. She has a grand head and in all is just quite a heifer. She belongs to the Marr Maud family that has produced so many good cattle for Dean Curtiss. We hate to part with this heifer.

This will be your last opportunity to buy a daughter of Calrossie Goldfinder as the balance will be retained in the herd. In last years sale Doune Goldie's daughter brought \$600.00 selling to Beath Farms, Oshawa, Ontario, Canada. You will recognize this pair by their quality.

Study carefully the contents of this catalog. In it you will find fourteen grand young bulls of fashionable colors, wonderful types and faultless breeding. No better consignment of bulls will be offered this year, anywhere. We say this without fear of contradiction. If you are planning on buying a herd bull do not overlook this opportunity of securing the bull that you have been looking for. Edellyn bulls have been consistent in satisfying their new owners and improving the general type and quality of the herds in which they are used.

The twenty-eight females we are presenting are worthy of your careful consideration. They are truly representative of the Edellyn quality that has been a leading factor in Shorthorn improvement. Each one is a good individual and there are some real tops. No herd is complete without an Edellyn bred female and the best breeders find that they obtain their best cattle from those with the Edellyn cross.

We hope that the many small breeders who are on the threshold of real accomplishment will avail themselves of this opportunity of obtaining the right bulls or the females that will elevate them to the rank of "Master Shorthorn Breeder".

These cattle will sell at prices you can afford to pay. We will feel proud if you honor us with your presence and we know that you will point with pride to a day well spent.

ALLAN C. ATLASON.

We are proud to offer Mar Emigrant from the herd of Wm. Bartholomay, Jr. as an added entry. Easily the outstanding production of Marellbar Farm this wonderful son of Edellyn Emigrant will attract those looking for a real top herd bull. He is thick, compact and short legged and has an extraordinary width of back that is carried evenly from front to rear. Good at the tail and quarter, a smooth shoulder and you'll like this calf's head. This bull is good enough for anybody. He will make them step in the summer yearling class this year. Have a good look at this bull sale day.
